Dear Ms. Alison

On behalf of Arthritis Care I would like to thank you and your practitioners for making Arthritis Care charity of your choice.

We thank you for the generous donation of £216.00. Beacon clinic commitment to helping people with arthritis in our community is sincerely appreciated.

Each year Arthritis Care continues to advance its mission of being the voice for people with arthritis. Through our campaign and self-management programmes we have seen many lives changed for the better.

Our goal is to continue to make a difference to the many people out there suffering from pain and with the help of donations from supporters such as you we will continue to see improvements in this light.

Thanks again for your generous support of our efforts; your donation will be put to good use within the organisation.

Yours sincerely,

Toyin Onasanya
